];

```

1. Crea una web de 4 páginas. Home que trae una introducción de qué es la página web y botones para cada una de las otras 3 webs. Una página de Netflix, Disney+, HBO.
2. En cada página mostraras solo los servicios de streaming que coincidan y que esten en isStreaming true.
3. Las funciones de pintado y filtro deben ser modulares.
4. Debes tener una nav sencilla con cada una de las web
